

FOR INSTITUTIONS & ORGANIZATIONS

A compassionate resource you can share

Goodbyes: The Many Faces of Grief Following a Traumatic Death

By Janice Harris Lord, MSSW, retired LCSW and LPC. Illustrations by Katherine Fortner Doerge.

Goodbyes is a brief, accessible, illustrated book for individuals and families experiencing grief after a sudden, traumatic death, including those by homicide, suicide, traffic crashes, and other unexpected events. Janice's background includes clinical social work, crime victim support, training, and writing. Katherine Fortner Doerge's illustrations are an integral part of the book.

Consider it for your community

Victim services and advocacy programs; healthcare and bereavement teams; counseling practices and support groups; faith communities; libraries and education; employee and volunteer programs. Copies can be offered for individual reading, program resource collections, or take-home support.

Available language editions

English - Goodbyes. Paperback ISBN: 9798395405111.

Required vendors, purchase orders & documentation

If your institution requires an approved supplier, vendor registration, a purchase order, or tax-exempt documentation, contact us before checkout. The purchasing route, payment terms, tax treatment, and required paperwork must be confirmed for your order.

Retail options are linked on the English, Spanish, and Arabic Publications pages. Formats, prices, and availability can differ from direct bulk orders. Availability through a required institutional vendor must be confirmed.

Fulfillment & bulk order policy

Bulk quantities are printed to fulfill each order. Timing varies with printing, quantity, destination, and shipping service; editions may be fulfilled separately. Review the current bulk-order policy on the product page before ordering; confirm any institutional exceptions in writing. For damaged, defective, incorrect, or incomplete deliveries, contact us promptly with the order information and photos so we can help resolve the issue.

This guide is for planning. Current product information and checkout totals govern your purchase. For other books by Janice Harris Lord, explore Publications or include the title in your inquiry.
